TO : Asst. Director for Special Operations

DATE: 25 January 1951

FROM : Deputy Director (Administration)

SUBJECT: Training Program Liaison

I would appreciate it if you would authorize []
to discuss training programs freely at any time he wishes with
Matt Baird, who is the Agency Director of Training. Obviously,
they should be of great help to each other, but I think []
[] feels that he would need your authority to discuss his
operations.
